A Diamond brochee on her chest
D7 G D7 G
She's a big time woman, from way out west
G
Automobile, a cozy home,
A7
but you always see her, all alone

She's a big time woman, from way out west

B7
Oh, the way she treats, these New York men,
E7
Ohh, it's a sin,
A7
She keeps them asking, the same darn thing
D7
all over again

Every fella has a winning smile,
A7
but she treats them all, just like a child
D7 G D7 G
She's a big time woman, from way out west
