

Where is My Mind

The Pixies
Surfer Rosa (1988)
No Capo

With your feet in the air and your head on the ground
 Try this trick and spin it, yeah
 Your head will collapse but there's nothing in it and you'll ask yourself

Where is my mind?
 Where is my mind?
 Where is my mind?
 Way out in the water, see it swimming

I was swimmin' in the Carribean
 Animals were hiding behind the rock
 Except the little fish but they told me, he swears tryin' to talk to me, to me, to me
